

Remarks

This submission is supplemental to the response filed August 3, 2005 to the Office Action mailed May 3, 2005. Claims 18 - 45 are pending in the application and are rejected. Claims 40 and 41 are objected to.

Examiner interview

The Applicant's representative thanks Examiner Hoosain for granting a telephonic interview in the above-identified application. A "Statement of Substance of Interview" responsive to the Examiner's Interview Summary mailed September 7, 2005, is submitted herewith.

In the Interview, the Examiner suggested claiming that the MSC receives call history information to overcome the art of record. Accordingly, independent claims 18, 24, 29, 34 and 39 have been amended along the suggested lines. The Applicant respectfully submits that the claims are therefore allowable over the art of record, and respectfully requests withdrawal of all rejections and objections.

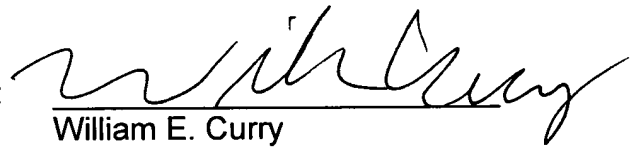

Conclusion

In light of the above discussion, Applicant respectfully submits that the present application is in all aspects in allowable condition, and earnestly solicits favorable reconsideration and early issuance of a Notice of Allowance.

The Examiner is invited to contact the undersigned at (202) 220-4323 to discuss any matter concerning this application. The Office is authorized to charge any fees related to this communication to Deposit Account No. 11-0600.

Respectfully submitted,
